November 2019

Dear Friends,

The Guinea Heritage Association (GHA) has been proud to serve the community since 1995 by preserving our past and planning for the future.

GHA has positively impacted the community in many ways in its effort to preserve the heritage and culture of Guinea through:

- Educational scholarships
- Recognizing community leaders as Grand Marshals
- Art Print competitions and "Meet the Artist" receptions
- Guinea Heritage Day and Guinea Jubilee Festivals
- Miss Guinea Jubilee Pageants
- Community musical events

This year is especially notable. GHA has begun work to turn C.B. Rowe & Son's General Store into a museum. We've made significant progress towards this goal by adding a bathroom and an accessibility ramp as well as a new sign and improvements in the parking area. However, we still have a number of improvements to be made to renovate the building.

This is just a Guinea glance of the collaborative work the GHA has been able to accomplish with the help of donors, such as yourself, who support impactful non-profits, such as GHA.

You have an opportunity to become part of our efforts to preserve the Guinea heritage and culture by including us in your Giving Tuesday charitable donations on December 3rd, 2019.

To donate: Please go online to <http://www.guineaheritage.org/> and click on the "Donate" button at the top of the page. Remember to make a difference in your community, "Give Where You Live!"

Thank you!

**With appreciation, The Guinea Heritage Association Board**
